PROFILE

A freelance illustrator specialising in illustration and concept art, I combine a comic style illustration with painterly methods of portraying colour and light. I enjoy exploring multiple concepts and projects that allow me to explore storytelling and diversity through character and environment art.

EXPERIENCE

FREELANCE ILLUSTRATOR

DECEMBER 2020 - PRESENT

Commissioned for multiple illustrations, focusing on character and book illustration. Took client's desires and brought them to life as a fully finished product.

GIBBONS COMPANY, BERMUDA

VISUAL MERCHANDISER | OCT 2021 - PRESENT

Arranging floor plans, window and in-store displays in collaboration with other members of the visual team.

Utilising creative background to achieve design goals for multiple brands and encourage sales.

TEESSIDE UNIVERSITY & LEXONIK

ON CAMPUS INTERNSHIP | FALL 2019

Collaborating on a university group project to create a mobile gaming app for children that supplemented an educational digital platform for Lexonik. Designing UI interfaces and in-game artwork alongside other artists for a specific target audience.
